SUBJECT : Weekly Activities Report #30  
23 July through 29 July 1958

1. Basic Management.

An experimental running of an unusual management ~~test~~ <sup>exercise</sup> has been scheduled for 13 August. Twenty individuals, all in the GS 14-15 category, who have completed a Management course, have volunteered to ~~take~~ <sup>work on</sup> the test. An experiment in a technique of management training called "group role-playing" was conducted on 23 July. Staff members from the Intelligence and International Communism Schools participated.

*A very provocative job, well done. Prepared by AE Consultants, & lent us by C/AE. JR*

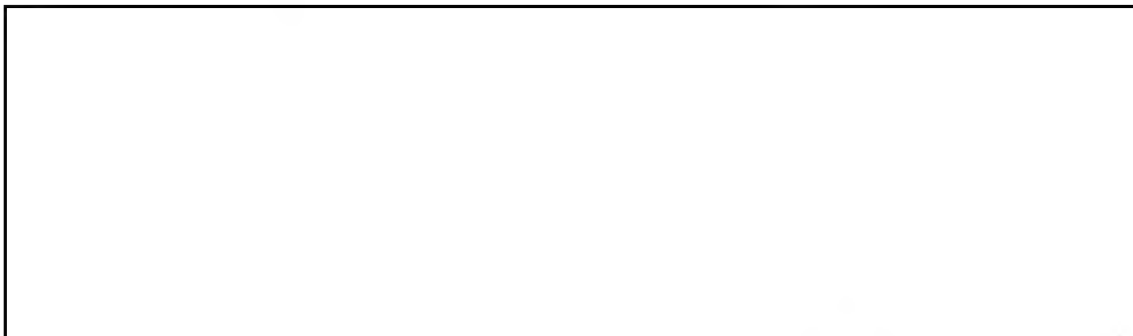

2. Basic Supervision.

Basic Supervision #42 (for GS 5-7 supervisors) ended on 25 July with the 18 original members still aboard. On the last day of the course two of the films produced by the Film Production Unit were used for discussion. One of the films sparked discussion to an unusual degree and the comments on the student critiques indicated hearty enthusiasm for this kind of visual case.

3. General.

A third film in the supervisory training series will be ready for previewing during the coming week.

4. Personnel.
